

Title: Start: A D-tier Adventure

Developer: Joanna Hannigan

Customer: Ages 15-21

Project Delivery Date: May 10 2022

Project Description:

In a world of superheroes and villains, each person is ranked based on their power on a scale from S to F. With a F-tier power, Morgan is pushed to a life as their A-tier brother Chad's sidekick. After experiencing how they're treated as a sidekick, Morgan decides to leave the hero business. But with a family of heroes, how are they going to manage on their own? Join them on their quest to escape a life as The Chadster's sidekick. Experience a battle with S-tier Villain Complex, dodging attacks and staying out of the line of fire. Discreetly gather supplies for leaving the hero business, what will you choose to bring for your new life? Finally, prepare to escape! Stay hidden and don't get caught or you'll be forced to be stuck as a sidekick forever! Discover the possibilities in this text-based puzzle game!
